The meeting was called to order at 6:03 PM by John Walters.

Order of business

1. Approval of previous meetings minutes will be done at the next scheduled meeting.

2. Old business: None

3. New business:

A. A discussion was held in regards to finding a new secretary to take minutes for the Planning Commission. The members will look for any volunteers to assume the position.

B. The topic of Lynn Waugamans faulty septic system was discussed.

Mr. Waugaman hired Musser Engineering for remediation plans to fix the problem.

John Walters stated that this is a matter for Borough Council to resolve.

Bob Hanson presented Component 4A Municipal Planning Agency Review and Walters and Vogel suggested that the form should be filled out by Borough Council.

C. Bob Hanson presented a rough draft of the 1994 budget spread sheet.

Mr. Hanson explained his research and a lengthy discussion was held on the data and on ways to promote fiscal and residential growth in the Borough. It was decided that this will be an on going project for the Planning Commission.

With no further business to discuss, Vogel moved to adjourn the meeting and Hanson seconded at 8:20 PM. All ayes, motion carries.
