Old Business: The Planning for Needed Housing Growth and Development Study for 2010-2020 was covered item by item with corrections and additions to the draft. Infrastructure and its ability to support the needed growth was broken down into eight areas: 1. Sewerage, 2. The Lake, 3. Roads/Traffic, 4. Water, 5. Boat Docks, 6. Lake Access, 7. Boats/Traffic, 8. Attractions/Business/Recreation (Golf, Marina, Lodge, etc.)

The Planning Commission members will gather information on these areas and report their findings back to Chairman Hanson. Bob Vogel will take Water, Dick Brodt will take Boat Docks, Charlie Fox will take Lake Access, Paul Cornez will take Attractions and Bob Hanson will take the remaining areas with help from the Commission members. The area on Boats/Traffic is awaiting a study by the Service Corp. Dick Stern will provide this input.
