

INDIAN LAKE BOROUGH
APPLICATION FOR TREE CUTTING PERMIT

Indian Lake Borough Ordinance No. 5 and 99 governs the cutting of trees within the Borough.

The above ordinances requires a person to obtain a permit to cut any tree(s) over three (3) inches in diameter at a point two (2) feet above the ground.

The removing of any tree(s) whether pursuant to a permit or not, must comply with all deed restrictions, covenants and other Ordinances of Indian Lake Borough.

(Fill out this Application if a Permit is required.)

APPLICANT
NAME: _____

ADDRESS: _____

TELEPHONE
NUMBER: _____

LOT
NO.: _____

Please provide a description of the location, size and type of tree(s) to be removed; manner in which tree(s) will be cut, including name, address and phone number of person or company used to cut tree(s); and method or manner how tree(s) will be removed, stored or hauled away.

Each applicant for a permit must provide the Borough with an application signed by the property owner and any estimates or proposals for cutting and removing of the tree(s). The applicant is required to have the tree(s) that are to be cut and removed clearly marked and schedule an appointment with the Borough Zoning Officer to view the lot. All trees cut must be cut level to the ground or the stumps must be removed.

DATE: _____
_____ Property Owner's Signature

A permit has been granted/denied to _____
upon
applications submitted to the Borough on _____, pursuant to the
requirements of Borough Ordinance No. 5 and 99.

Reasons for grant/denial:

Any applicant whose application for a tree cutting permit has been granted must comply with all applicable restrictions, covenants and Ordinances of Indian Lake Borough.
