Happy Birthday: Taking on too much or trying to help too many people will cause you to fall short. You can do far more to benefit others by helping yourself first. Once you are in a position of influence, you will have more control over the effect you can have on those who need your help. Romance is in the stars. Your numbers are 7, 19, 24, 30, 36, 41, 44.

ARIES (March 21-April 19): Take greater interest in what others do and say, and you will find a way to make a financial gain from the information you receive. Your versatility will enable you to jump from one thing to another with ease. ☀☀☀

TAURUS (April 20-May 20): Avoid foolish purchases. Being too generous with friends or children won't pay your bills. Learn from past mistakes and put your money into something that will contribute to your retirement needs. Play it safe. ☀☀☀

GEMINI (May 21-June 20): Your dependable way of dealing with people will draw attention from others and put you where the action is. A romantic evening can bring about positive changes to the way you live or the relationships that mean the most to you. ☀☀☀

CANCER (June 21-July 22): Share your thoughts and ideas to see if anyone can contribute suggestions that will spur you on to take your endeavors to the next level. A home improvement project will raise interest from someone you least expect. ☀☀☀
